# Value Added Manufacturing

## Customer Service is Our Top Priority

When you choose AC Photonics as your preferred manufacturer, you can expect the absolute highest level of customer service. We believe communication is the most critical aspect to a successful contract manufacturing partnership. Transparent planning and scheduling, production status updates, and advanced shipping notifications will keep you informed and up-to-date on your orders.

## New Product Introduction (NPI)

AC Photonics will work with you get your next NPI project into production quickly. New designs may have unforeseen manufacturing challenges, but with convenient manufacturing locations in the US and Asia, we can work side-by-side with you during the launch phase of your new project.

## Small Runs or High Volume: It's Your Choice!

Our contract manufacturing services can handle whatever size order you require. To us, flexibility is key in enabling our customers to maximize the value of our services. We will support the demands of your business, whatever they may be.
